Recommendation Letter

To Whom It May Concern,

I am writing to recommend *Joud Mohammad Alharbi* (444001600), whom I have had the pleasure of teaching in several courses, including Applied Cryptography (SEC 2213), Advanced Cryptography (SEC 3214) and (Exploit Development SEC3134).

Throughout these courses, Ms. Alharbi performed consistently well. She demonstrated a solid understanding of the material and was able to apply concepts effectively in both written assignments and practical exercises.

Beyond her academic performance, Ms. Alharbi stood out for her confidence, good work ethic and professionalism. She also has a positive, cooperative attitude that makes her easy to work with in teams.

I am confident that Ms. Alharbi will bring the same dedication and positivity to any role she pursues. I recommend her without reservation.

This letter is provided to Ms. Joud Mohammad Alharbi upon her request. Should you need any further information, please do not hesitate to contact me.

Sincerely,

شروق الأنصاري
